

# Instructions for Use

## Cleaning & Disinfection: Varia

Varia is a performance resin designed to withstand the demands of rigorous cleaning requirements in Healthcare. Effective cleaning and disinfection of environmental surfaces reduces microbe transmission.

Varia's superior chemical resistance and durability promotes safety in any design application. Refer to these compatible cleaners and disinfectants to ensure proper disinfection and minimal wear.

- PDI® Super Sani-Cloth® Germicidal Disposable Wipe

*Avoid using a dry cloth, scrapers, or squeegees on 3form Varia. Avoid exposing panel edges to water or cleaning solutions as the elements inside the resin may wick moisture. For more information on standard recommended cleaning procedures, refer to the Varia Spec Sheet available on [www.3-form.com](http://www.3-form.com)*

\* Use recommended cleaners & disinfectant products as directed by the manufacturers.
