Avoid using a dry cloth, scrapers, or squeegees on 3form Chroma. For more information on standard recommended cleaning procedures, refer to the Chroma Spec Sheet available on www.3-form.com

Chroma is a thick, optical grade resin designed to withstand the rigorous cleaning and disinfection requirements in Healthcare.

The durability of Chroma allows for effective cleaning and disinfection of environmental surfaces to reduce microbe transmission. Refer to the compatible cleaners and disinfectants to ensure the proper disinfection and minimal wear.
